

#### **Our Vision**

A connected community, where children and young people thrive, and families matter.

# **Our Why**

Children and young people thrive when they do well in ARACY's Six Interconnected Domains of Wellbeing:

- Healthy
- Learning
- Participating

- Material basics
- · Valued, safe and loved
- Positive sense of identity and culture

# **Our Mission**

Community creating change

### **Our Principles**

These principles guide our work with community, partners and government:

Respect

- Equity
- Cultural Leadership
- Accountability

# **Our Strategic Pillars**

- Sharing Power and Influence
- Mutual Accountability and Transparency
- Independent, Influential and Catalytic Organisation

# **Our Enablers for Change**

- Authentic engagement
- Transparent, locally led governance
- Collaboration and advocacy
- · Co-design and shared decision-making
- High leverage activities for systemic change
- Share learning locally and nationally

### **Our Ways of Working**

Understand | Act | Learn | Adapt
